In order to maintain a safe environment we will provide 8 toddler spots in each one year-old classroom for each of the days the program is available. These openings will be filled on a first-come, first-serve basis, so we encourage everyone to sign up at the beginning of our enrollment period to secure your spot(s). We are aware that our busy schedules create busy families that need flexibility in child care. We hope to provide excellent service for you. If for some reason you require an additional day of preschool for a specific date, we would love to have your child in class provided space is available. Each additional day will be \$25 per child. **If you have more than one child in the program simultaneously (i.e. twins, or one in each class, etc), there will be a 15% discount for the second child/sibling enrolled in the program.*
